

# KubeCologne Conference

Sponsorship folder

08.02.2019

(Workshop 06.02 - 07.02.2019)

# Why KubeCologne?

- Get to know new products and solutions in the area of Cloud Native Computing and Kubernetes
- Learn from real-world examples and hear the background stories
- Network with like-minded people and decision makers from all over Germany
- One session and two workshop tracks on February 8<sup>th</sup>
- Only 150 tickets available
- For even more Kubernetes, join the two-day workshop where we'll offer in-depth training on Kubernetes (February 6<sup>th</sup> and 7<sup>th</sup>)

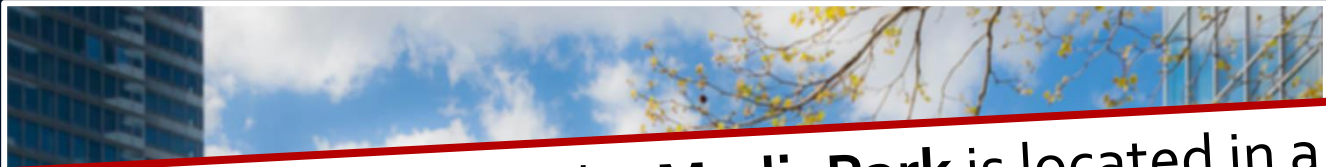

# Location – KOMED, MediaPark Cologne

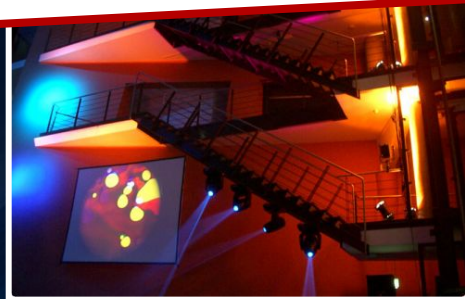

# Location – KOMED, MediaPark Cologne

Our venue **KOMED** in the **MediaPark** is located in a modern building with impressive architecture. The large foyer and the hall provide a pleasant atmosphere in which you can work creatively and make contacts.

The MediaPark is an attractive, innovative, diverse and architecturally outstanding location in the heart of Cologne. Today, about 5,000 people work here in 250 companies - a diverse mix of media, IT, culture, education, medicine, research, gastronomy, trade and business.

# KubeCologne Sponsorship - Partnership

Become a part of the first-ever Kubernetes conference in Cologne, the cathedral city, on February 8<sup>th</sup> 2019.

Be one of only a few vendors who're able to showcase their products and solutions at the conference.

Join us and be part of something new! We'll make sure that you'll be presented center stage throughout the conference.
